Attendees

Present:

Absent:

Summary

Introduction

- Roll call for meeting attendance

Feedback Compilation

- Karen LaMarsh is compiling feedback with a deadline this week.
- The commission had the opportunity to review the draft standard and provide comments.
 - Commission won't vote on moving to the next stage but can give feedback now.
- IACET (the commission) feedback is being treated as internal stakeholder input.
- Laverne has a dashboard tracking comments and necessary actions.

Interpretation Subcommittee

- Volunteers for the interpretation subcommittee: Elizabeth, Ty, Larissa, Mohammed, Mayer, and Dave.
- Collaboration with the commission side for application development and guidance review.
- Subcommittee to update guidance and application by December or January at the latest.
- Responsible for fielding stakeholder questions and providing official interpretations.

Next Steps

- Working draft subcommittee to resolve comments and produce a revised draft standard.
- Revised draft to be submitted for public comment.
- Resolution of public comments and submission to ANSI for publication.

Comments Analysis

- 43 comments received, with half related to the terminology section.
- Draft subcommittee to refine the standard based on additional input.

Meeting Conclusion

- Meeting adjourned in 14 minutes.
- Appreciation expressed for team's efforts and collaboration.
- Wishing everyone a great week and happy Monday.
