**3. Program delivery strategies:** Describe the program delivery strategies and how they facilitated participants' achievement of learning outcomes. Preference will be given to creative or innovative delivery strategies.

**4. Resources:** Provide evidence that the program used human and financial resources effectively. You may: compare budgeted and actual performance on revenue and expense; budgeted and actual per-person cost; lower net cost relative to a comparable program; or other evidence showing effectiveness against planned resources.

5. **Program outcomes:** Provide evidence of program effectiveness, such as data showing participant achievement of learning outcomes; impact of program on individual participants (testimonials); participant satisfaction data; or other evidence showing the program's achievement of its goals. Preference will be given to programs that provide outcome measures (evidence of program's impact on behavior or performance).
